

Pinery Activities

From March 31st - April 29th, 2018

The Visitor Centre features nature exhibits, an indoor theatre, The Friends of Pinery Nature Gift Shop, park naturalists and information. Our naturalists are here to help you learn about the wonders Pinery has to share. Visit often? Consider purchasing an Ontario Parks Seasonal Pass for day use. The Visitor Centre is open **Saturdays & Sundays from 10 AM - 5 PM**. Please visit www.pinerypark.on.ca for more information.

Saturday		March	31	<i>Easter Weekend</i>
11:00 AM	P 9	Ask the Naturalist: Shoreline Birds - Join a naturalist at P9 Beach to take a look through a spotting scope and learn about some of the birds that visit Pinery every Spring.		
3:00 PM	Visitor Centre	Special Screening: Raccoon Nation - Over the past 70 years, raccoon populations have exploded in North American Cities. Interactions with us are making them smarter! Find out about these black-eyed bandits in this fascinating film. (45 min)		
Sunday		April	1	<i>Easter Weekend</i>
11:00 AM	Visitor Centre	Ask the Naturalist: Turtles' Hurdles : Many turtles call Pinery's Old Ausable Channel their home. Come visit our live turtles and learn about what spring will bring for the wild turtles in the park.		
3:00 PM	Visitor Centre	Special Screening: Waterlife - Immerse yourself in the extraordinary beauty and complex chemistry of the Great Lakes. Narrated by Gord Downie, this film reminds us of our essential connection to the water we drink every day.		
Monday		April	2	<i>Easter Weekend</i>
11:00 AM	Visitor Centre	Ask the Naturalist: Signs Of Spring - The days are longer, the sun is warmer and spring is beginning in Pinery. Come learn about the changes beginning in the park that tell us spring is here.		
3:00 PM	Visitor Centre	Special Screening: Destination Canada - Explore the wealth and diversity of Canada's people, culture and scenery during this beautiful and informative video. (55 min)		
Saturday		April	7	
11:00 AM	Visitor Centre	Ask the Naturalist: Mammals - Pinery is home to many mammal species, big and small. Stop by the Visitor Centre to learn more about these furry friends.		
3:00 PM	Visitor Centre	Special Screening: Planet Earth: From Pole to Pole - This film travels around the Earth, finding where the sun always shines and where it's rarely seen. Next, they find where water is abundant and where it's scarce. (60 min)		
Sunday		April	8	
11:00 AM	Visitor Centre	Ask the Naturalist: Not So Bald Eagles - Have you spotted a large bird soaring overhead? You may have just spotted a Bald Eagle! These birds will be commonly spotted through out the park. Come to the Visitor Centre to learn about these birds and how to spot them.		
3:00 PM	Visitor Centre	Special Screening : From Billions to None - The Passenger Pigeon's flight to Extinction: Once darkening the North American skies by the billions, in a few decades this sleek and colourful bird was driven to extinction - by us. (58min)		

Pinery is a great place to get outdoors and explore nature!
