

Future Naturalist Program

The Future Naturalist Program is for visitors between the ages of 13 - 17 who would like to learn more about Pinery and help preserve this special place.

HOW TO BECOME A FUTURE NATURALIST

In order to become a Future Naturalist, the visitor must be of suitable age.

Once the tasks have been completed, the visitor must have the information on this page completed and must bring this page to the Visitor Centre information desk between the hours of 10 am and 5 pm. A naturalist will enter your information into the database and present you with the corresponding award.

The Future Naturalist Program consists of 4 Levels. Each level has a variety of different tasks to be completed. Please refer to the back of this page for the various assignments.
